

Curriculum Vitae

Suzanne Holroyd, M.D.

University of Virginia School of Medicine
Department of Psychiatry and Neurobehavioral Science
HSC, Box 800623
Charlottesville, Virginia 22908

I. Personal

Born: January 29, 1961
Ohio, USA

II. Education

- 1982-1986 **Doctor of Medicine**
University of Virginia School of Medicine
Charlottesville, Virginia
- 1979-1982 **Bachelor of Arts (Chemistry, Graduated with Highest Distinction)**
University of Virginia, School of Arts and Science
Charlottesville, Virginia

III. Postdoctoral Training

- 1990-1991 **Clinical Research Fellow – Geriatric Psychiatry**
Department of Psychiatry and Behavioral Sciences
Johns Hopkins University School of Medicine
- 1989-1990 **Chief Resident**
Department of Psychiatry and Behavioral Sciences
Johns Hopkins University School of Medicine
- 1987-1989 **Resident**
Department of Psychiatry and Behavioral Sciences
Johns Hopkins University School of Medicine
- 1986-1987 **Intern - Medicine/Psychiatry**
Francis Scott Key Medical Center
Johns Hopkins University School of Medicine

IV. Major Academic Appointments

- 7/04-present **Professor**
Director of Geriatric Psychiatry
Department of Psychiatry and Neurobehavioral Science
University of Virginia School of Medicine

7/98 – 7/04 **Associate Professor**
Director of Geriatric Psychiatry
Department of Psychiatric Medicine
University of Virginia School of Medicine

8/92 - 6/98 **Assistant Professor**
Director of Geriatric Psychiatry
Department of Psychiatric Medicine
University of Virginia School of Medicine

7/91 - 6/92 **Assistant Professor**
Department of Psychiatry and Behavioral Sciences
Johns Hopkins University School of Medicine

1990-1991 **Staff Psychiatrist (part-time)**
Community Psychiatry Program
Francis Scott Key Medical Center
Johns Hopkins University School of Medicine

V. Major Administrative Appointments

2006-present **Vice Chair for Education –**
Department of Psychiatry and Neurobehavioral Science,
University of Virginia

2005-present **Associate Section Head – Neurocognitive Studies,**
Department of Psychiatry and Neurobehavioral Science

1992-present **Director of Geriatric Psychiatry**
University of Virginia School of Medicine

1994-1998 **Medical Director – Geriatric Inpatient Unit**
University of Virginia.

1995-present **Program Director – Geriatric Psychiatry Residency Program**
Department of Psychiatry and Neurobehavioral Science,
University of Virginia:

VI. Professional Affiliations

American Psychiatric Association

American Association of Geriatric Psychiatry

International Psychogeriatric Association

Association for Academic Psychiatry

Psychiatric Society of Virginia

Blue Ridge Psychiatric Society

VII. Certification and Licensure

A. Board Certification

Diplomate, Added Qualifications in Geriatric Psychiatry
American Board of Psychiatry and Neurology – 2004 (#1012)

Diplomate, American Board of Psychiatry and Neurology – January 1992
(#35173)

Diplomate, National Board of Medical Examiners – 1987

B. Licensure

State of Virginia, 6/1/92 – present, #0101-048094

State of Maryland, 1987 – 1992, #036108

VIII. Honors/Awards

Best Doctors in America 2012-13

Best Doctors in America 2011-12

America's Top Doctors – 2012, Castle Connolly Ltd

America's Top Doctors – 2011, Castle Connolly Ltd

America's Top Doctors – 2010, Castle Connolly Ltd

America's Top Psychiatrists – 2009 Consumer's Research Council of America

America's Top Doctors – 2009, Castle Connolly Ltd.

America's Top Doctors – 2008, Castle Connolly Ltd.

Who's Who Among Executives and Professionals, 2008-2009 "Honors Edition"

America's Top Psychiatrists – 2008 – Consumer's Research Council of America

America's Top Doctors – 2007, Castle Connolly Ltd.

America's Top Doctors – 2006, Castle Connolly Ltd.

Grant Review committee – Parkinson's Disease Society 2005-2008

America's Top Doctors – 2005, Castle Connolly Ltd.

AcademicKeys Who's Who in Medical Sciences Education - 2005

America's Top Doctors – 2004, Castle Connolly Ltd.

National Finalist for Outstanding Program Director – Accreditation Council for Graduate Medical Education Parker J. Palmer Courage to Teach Award 2002

Member – Research Review Committee – Biomedical Ethics Carillion Health System Roanoke VA 2003

Selected as one of “America's Top Psychiatrists – 2002-2003” in “Guide to America's Top Psychiatrists” by the Consumers' Research Council of America, Washington D.C.

Faculty Award for Excellence in Teaching and Education – University of Virginia Department of Psychiatric Medicine (voted by psychiatry residents) 2001-2002

Member – Grant Review Committee – Alzheimer's and Related Diseases Research Award Fund, Virginia Center on Aging, 2000-2004

Faculty Award for Excellence in Teaching and Education – University of Virginia Department of Psychiatric Medicine (voted by psychiatry residents) 1998-1999.

Selected as an international expert in behavioral problems of dementia to participate in the Behavioral and Psychological Symptoms of Dementia (BPSD) International Consensus Conference, Landsdowne, Virginia (5/12/99)

Selected as a national Expert Consensus Panel Member to develop and implement guidelines for treating agitation in elderly persons with dementia (Expert Consensus Guideline Series – Treatment of Geriatric Agitation in Patients with Dementia)– 3/97.

The American Association for Geriatric Psychiatry Junior Investigator Award for Outstanding Research – 1995, for the research paper, “A study of visual hallucinations in Alzheimer's Disease.”

Selected Chief Resident in Psychiatry – Johns Hopkins Dept. of Psychiatry and Behavioral Sciences 1989-90

Alpha Omega Alpha

Phi Beta Kappa

Graduated with Highest Distinction with BA in Chemistry- University of Virginia

Raven Society - (University of Virginia Honor Society reflecting community service and academic excellence)

Alpha Epsilon Delta

IX. Areas of Research Interest

Geriatric Psychiatry, including:

Study of psychosis, with a special interest in visual hallucinations in disorders of late life, including Alzheimer's disease and Parkinson's disease. Current and prior research includes neuroimaging (structural and fMRI).

Study of dementia syndromes

Study of late life depression, including phenomenology, treatments, and outcomes.

Study of psychiatric disorders in elderly in various treatment settings (nursing home, rural outreach, clinic, inpatient).

X. Current projects

1. Study of visual hallucination in Parkinson's disease and relationship to the visual system
2. Study of dementia and depression in Parkinson's disease.

XI. Educational Activities

A. Supervisory and Administrative Roles

1. Vice Chair for Education, University of Virginia Department of Psychiatric Medicine (2006 – present)

2. Program Director – Residency in Geriatric Psychiatry, University of Virginia, Department of Psychiatric Medicine (1995-present).

3. Supervisor – 4th year Psychiatry Residency Elective – “Geriatric Psychiatry” – University of Virginia, Department of Psychiatric Medicine (1992 – present).

4. **Associate Director** - Clinical Clerkship in Psychiatry (2007-present)
5. **Chair – Medical School Clinical Clerkship Committee**, University of Virginia School of Medicine (1994 - 1998).
6. **Director – 3rd year Psychiatry Clerkship**, University of Virginia School of Medicine (1992 - 1998).
7. Director – 4th year Psychiatry Electives, University of Virginia School of Medicine (1992 – 1998).
8. Member – Council on Medical Education, University of Virginia School of Medicine (1992 – 1998).
9. Member – Student Promotions Committee, University of Virginia School of Medicine (1992 – 1998).
10. Member - Clerkship Committee, University of Virginia School of Medicine (1992 – 1998).

B. Teaching Activities

1. Lectures or Seminars for Psychiatry Residents:

YEAR	COURSE	TITLE OF TALK	NUMBER PER YEAR	LENGTH	% RESPONSIBILITY
1996-present	Geriatric Psychiatry Didactics	Nursing Home/outreach Psychiatry	12	1 hour	100%
1992-present	3 rd &4 th Year Resident Seminar	Geriatric Psychiatry (50 different titles during the year)	50	½ hour	100%
1995-1996	1 st year Resident Seminar	The Mental Status Examination	4	1 hour	100%
1995-1996	1 st year Resident	The Neurologic	4	1 hour	100%

1995	Seminar 2 nd year Resident	Examination Personality Traits and Disorders	4	1 hour	100%
1995-present	Seminar 1 st year Resident	Delirium	4	1 hour	100%
1995-present	Seminar 1 st year Resident	Dementia	4	1 hour	100%
1992-1994	Seminar 1 st & 2 nd year Resident	Delirium and the Mini Mental	4	1 hour	100%
1993	Seminar 1 st & 2 nd year Resident	Paraphilias	4	1 hour	100%
1992- present	Individual Resident Supervision	Not applicable	100	1 hour	100%
1994- 2000	Psychiatry Resident Journal Club	Journal Club	1	3 hours	100%

2. Lectures or Seminars for Medical Students:

YEAR	COURSE	TITLE OF TALK	NUMBER PER YEAR	LENGTH	% RESPONSI BILTY
1992-1998	Psychopatho logy	Overview of Geriatric Psychiatry	1	1 hour	100%
1993-2007	Psychiatry Clinical Clerkship Didactics (3 rd year Medical Students)	Delirium and Dementia	8	2 hours	100%
1992-present	Psychopatho logy (2 nd year Medical Students)	Small Group Preceptor	8	1 hour	100%

3. Clinical Teaching

1992 – present Geriatric Psychiatry Clinic – Attending

1994 – present UVa Psychiatry Nursing Home/Outreach
Service Attending

1992-1994 UVa Psychiatry Inpatient Unit – Attending

1992 – 1994 UVa Psychiatry Consult Service – Attending

1992 – 1994 UVa Electroconvulsive Therapy Service-Attending

4.CME Educational Activity: See Invited Lectures and Presentations, total of 48 CME lectures given since 1993. In addition:
2/97 – “Worsening Insomnia – Geriatric Depression” Case study #1130–
Developed and wrote CME case study of geriatric depression for live publication on **mypatient.com**

4. **Other Teaching Activities:**

2003-Contributing author and advisor – Josiah Macy Jr. Foundation Health literacy instruction – Geriatric Depression/cognitive disorder Clinical Practice Exam (CPX) case, 2003

2001-2002-Research Advisor to Medical Student John J. Duryee for the thesis entitled “Natural history of depression and anxiety among medical outpatients”

2000 –2003: Women in Medicine Graduate Mentorship Program – University of Virginia School of Medicine

1995-present: Teach Geriatric Psychiatry Seminar to Geriatric Internal Medicine Fellows of the UVA Dept. of Internal Medicine (3 month long weekly seminar).

1997-2003: Contributing writer for USLME Step 2 Examination psychiatry test questions, National Board of Medical Examiners.

1998 – 1999: Independently developed and wrote Psychiatry Clinical Practice Exam Case (CPX) for University of Virginia School of Medicine. This involved a case of major depression presented by Standardized Patients in the Clinical Practice Exam format to all 3rd year medical students at the University of Virginia School of Medicine.

1992 – 2000: “Mood Disorders” Lecture to Doctoral candidates in the course “*Biological Basis of Mental Health and Mental Illness*”, University of Virginia School of Nursing.

1997-1999: Faculty Advisor to 1st year medical students, University of Virginia School of Medicine

XII. Editorial Activities

Editorial Board Member – International Editorial Board – *Focus on Neurology* – 2004 to present

Editorial Advisor, Behavioral Measures for Cognitive Disorders Chapter, *Handbook of Psychiatric Measures and Outcomes*, American Psychiatric Association Press, Washington DC, 2000.

Reviewer – Guilford Publications NY, NY- serve as reviewer for proposed books in the area of geriatric psychiatry 2002 – present

Reviewer – *General Hospital Psychiatry –Psychiatry, Medicine and Primary Care* 2004-present

Reviewer – *Journal of Neuropsychiatry and Clinical Neurosciences* 2003 – present

Reviewer – *Psychiatry Research* 2003 – present

Reviewer – *Behavioral and Brain Sciences* – 2003 - present

Reviewer –*Psychosomatics* 2003 - present

Reviewer – *Psychology and Aging* 2003 - present

Reviewer – *Behavioral and Brain Sciences* 2002 - present

Reviewer – *The Lancet* 2001-present

Reviewer – *Journal of the American Geriatrics Society* 1997-present

Reviewer – *The American Journal of Geriatric Psychiatry* 1993 – present.

Reviewer – *The Journal of Nervous and Mental Disease* 1995 – present.

Reviewer – *The International Journal of Geriatric Psychiatry* 1996 – present.

Reviewer – *Drug Benefit Trends* – 1999-present.

Reviewer – *Journal of Studies on Alcohol*.1999 - present

Reviewer – *Survey of Ophthalmology – International Review Journal* 2001 – present

XIII. Clinical Activities

Director and Attending, University of Virginia Geriatric Psychiatry Outpatient Clinic, (1992 – present).

Director and Attending, University of Virginia Psychiatry Nursing Home/Outreach Service, (1994 – present.)

Attending, University of Virginia Inpatient Service, (1992-1994)

Attending, University of Virginia Psychiatry Consult Service, (1992 – 1994).

Attending, University of Virginia Outpatient Adult Psychiatry Clinic, (1992 – 1994).

Attending, University of Virginia Electroconvulsive Therapy Service (1992-1994)

Attending, Johns Hopkins Hospital Geriatric Psychiatry Inpatient Unit (1991-1992)

Attending, Johns Hopkins Geriatric Psychiatry Clinic (1991-1992)

Attending, Johns Hopkins Psychiatric Nursing Home Service (1991-1992)

Attending, Johns Hopkins Mental Health /Psychiatric Services for Residents and Medical Students (1990-1992)

XIV. Committees

A. University of Virginia Department of Psychiatry and Neurobehavioral Science

Member – Clinical Incentive Committee (AdHoc) 2007-present

Chair – Clinical Revenue Task Force 2005-present

Member – Research Incentive Plan Committee 2004- present

Member – Promotion and Tenure Committee 2004 - present

Chair – Ad Hoc Search Committee – Geriatric Psychiatry position 2004 - 2005

Member – Ad Hoc Search Committee – faculty position in Neuroimaging 2004

Chair – Nursing Home Program Committee (1995 – 2002)

Chair – Senior Adult/Geriatric Committee (1992 – 1998)

Chair – Ad Hoc Search Committee for Additional Geropsychiatry Position (1998 – 1999)

Member – Residency Training Committee (1995-present)

Member – Service Center Pharmacy and Therapeutic Committee (1998-present)

Member – Ad Hoc Research – Strategic Planning Work Group (2000 –2001)
Member – Ad Hoc Clinical Services-Strategic Planning Work Group (2000 – 2001)
Member – Martha Jefferson Hospital Psychiatry Quality Support Team (1995-1998)
Member – Psychiatry Service Center Forum (1995 – 1996)
Member – Outpatient ECT Task Force (1995 –2000)
Member – Ad Hoc Day Hospital Planning Committee (1993 – 1994)
Member – Ad Hoc Committee – Outpatient Maintenance ECT Planning (1994)
Member – Psychiatry Service Center – Clinical Program Committee (1994-1995)
Member – Medication over Objection Policy Task Force(1995)

B. University of Virginia School of Medicine

Member- School of Medicine Promotion and Tenure Committee 2007-present
Member- Graduate Medical Education Committee (1995-present)
Member-Subcommittee for Internal Review of Geriatric Medicine Fellowship Program (2001-2002)
Chair – Medical School Clinical Clerkship Committee (1995 – 11/98)
Member – Standardized Patient Advisory Committee, Year 3-4 (1998 - 1999)
Member – Student Promotions Committee (1992 – 11/98)
Member – Medical School Clinical Clerkship Committee (1992 –11/98)
Member – Executive Committee – Council on Medical Education (1995 – 11/98)
Member – Task Force on Medical Education About Violence (1996 – 1999)
Member – Task Force for LCME Accreditation Self Study Task Force (Graduate Medical Education Subcommittee) (1996 – 1999)

C. University of Virginia Hospital

Member – Geriatric Planning Group (2000-2003)
Member - Aging Services Committee (1994 – 1996)
Member – Aging Services Consult Subcommittee (1994 – 1996)
Member – Senior Care Network Subcommittee (1994 – 1996)

D. State of Virginia

Member – Virginia Center on Aging Advisory Committee (1997 – 2004)

E. National

Member –American Association for Directors of Residency Education (2003-present)
Member – American Association for Geriatric Psychiatry Training Directors (1995-present)
Member – American Association for Geriatric Psychiatry, Committee on Fellowship and Residency Training (1993 –1995)

XV. Grant Supported Research

1. **Principal Investigator:** “Parkinson’s Disease: Visual dysfunction and Hallucinations (R01 NS045008-01 A1) National Institutes of Health (funding agency NINDS) 7/15/03-7/14/08, Direct costs: 675,000.
2. **Sub-Investigator:** A randomized, double blind placebo controlled group study to assess the safety, tolerability, and efficacy of titration and treatment of C105 in subjects with mild cognitive impairment (MCI). Sention (2004-2005) PI Jeffrey Barth PhD.
3. **Co-Investigator:** Screening for depression in elderly hemodialysis patients. National Kidney Foundation of Virginia, 2004-2005. PI Rasheed Balogun.
4. **Principal Investigator:** “Attitudes on whether physicians should tell Alzheimer’s disease patients their diagnosis.” Virginia Center on Aging Alzheimer’s and Related Diseases Award Fund (1999 –2000) Direct costs: \$16,500.
5. **Principal Investigator:** “An eight-week multicenter, parallel-group, double-blind placebo-controlled study of sertraline in the treatment of elderly outpatients with major depression.” Pfizer (1997-1999) Direct Costs: \$55,339
6. **Principal Investigator:** “A study of visual hallucinations in Alzheimer’s disease”. **Clinical Mental Health Academic Award (K07)** National Institutes of Mental Health – Mental Disorders of Aging Branch (1994 –2000) Direct Costs: \$575,725.
7. **Principal Investigator:** “A pilot study of visual hallucinations in Alzheimer’s disease”. Virginia Center on Aging Alzheimer’s and Related Disease Research award Fund (1993 –1994). Direct costs: \$10,000.
8. **Co-investigator** – “A prospective, randomized double-blind multicenter parallel groups comparison of the efficacy of Abecarnil and placebo in the elderly outpatients with anxiety symptoms”. Sandoz Medical Research Dept. (1992 – 1993) Direct costs: \$116,472.
9. **Co-investigator** – “Geriatric Mental Health Training in Long Term Care” U.S. Public Health Service, 1992 – 1994, Program director: K.C. Buckwalter. Direct costs: \$398,751.
10. **Medical director:** “Jefferson Area Rural Elder Health Outreach Program” (1992 – 1994). Principal Investigator: I. Abraham. WK Kellogg Foundation. Direct costs \$398,751

11. **Principal Investigator:** Stetler Research Fund for Women Physicians for 1991 – 1992 – “Visual hallucinations in patients with visual disorders”. Direct costs: \$21,000.

XVI. Former Trainees/Students/Residents

A. Medical Students

Supervised all medical students rotating on the UVA site psychiatry clerkship, 1992-1998

Supervised all medical students rotating on UVA Geriatric Psychiatry elective 1992-present

Supervised all medical students rotating on UVA Geriatric Psychiatry Clinic 1992-present

B. Residents – General Psychiatry Residents:

1. **All general psychiatry residents** (1992 – present) taught in multiple lecture and clinical settings. (See Educational Activities)

C. Fellows – Geriatric Psychiatry:

1. Antony Fernandez, M.D., 1996 – 1997. Subsequent position: Assistant Professor, Department of Psychiatry, Medical College of Virginia.
2. Michael Shepherd, M.D., 1997 – 1998. Subsequent position: Assistant Professor, Department of Psychiatric Medicine, University of Virginia.
3. Robert Webster, M.D., 1998 –1999. Subsequent position: Attending Psychiatrist – Binghamton Hospital , New York
4. Quentin Turnbull, M.D., 1999 –2000. Subsequent position; Medical Director, New Hampshire State Hospital.
5. Panna Jollapara, M.D., 2000 – 2001. Subsequent position: Attending Psychiatrist, Friends Hospital Philadelphia PA
6. Winona Belmonte MD 2001-2002. **Received National Award from American Psychiatric Association for Outstanding Fellow .**

Subsequent position: Attending Psychiatrist in underserved rural area of Virginia (South Hill VA)

7. Christine Blue DO 2002-2003 –**Received National Award from American Psychiatric Association/Janssen Institute on Psychiatric Services as a fellow**. Subsequent position: Assistant professor at West Virginia School of Osteopathic Medicine.
8. Daksha Patel MD 2002-2003 – Subsequent position: Attending psychiatrist – Rockingham Memorial Hospital, VA
9. Badalin Helvink MD 2003-2004 **Received Fellowship Award for the Dementia Congress 2003**. Attending psychiatrist, Naples FL
10. Stacy Light MD 2003-2004 Subsequent position: Attending Psychiatrist ,Austin Texas
11. Jonathan Maritz MD 2004-2005 – Subsequent position: Attending psychiatrist – Newfoundland, Canada
12. Samia Sabeen MD 2004-2005 – Subsequent position: Assistant Professor, University of Virginia Dept of Psychiatric Medicine
13. Caroline Chou MD 2004-2005 Declined working due to family issues.
14. Mudhasir Bashir MD 2005-2006 Subsequent position: University of Virginia Dept of Psychiatric Medicine
15. Liza Schaffner MD 2005-2006 Subsequent position: Attending psychiatrist- West Virginia
16. Imran Akram MD 2006-2007 –Subsequent position – Attending psychiatrist, Chicago IL
17. P. Roy Chowdhury MD 2006-2007 Subsequent position: Cherry State Hospital, North Carolina
18. Jeff Overdyke MD 2007-2008 Subsequent position: Geriatric psychiatrist at Shreveport Veterans Hospital
19. Cornelius Thomas MD 2008-9 – Assistant Professor UVA
20. Cassandra Hobgood MD 2009-10 Subsequent position: Assistant Professor, Tufts

21. Laura Dauenhauer MD 2009-2010 Subsequent position: Staff physician
Health Service New Zealand
22. Alok Kumar MD 2010-2011 Subsequent position, private practice
23. Jorge Castro-Alvear MD 2010-2011 Subsequent position, staff
psychiatrist – Australia
24. Dennis Dombrowski MD 2011-2012 – Subsequent position, private
practice, State College PA
25. Nelly Norrell MD 2011-2012 – Subsequent position, private practice,
Harrisonburg VA
26. Rosita Santa-Cruz 2012-2013 – current fellow
27. Meredith Lee 2012-2013 – current fellow
28. Priscilla Hidalgo 2012-2013 – current fellow

D. **Research Supervised**

1. Susan Laurie MD - 'Psychosis in geriatric outpatients' 1996
2. Michael Shepherd MD – "Occipital atrophy is associated with visual
hallucinations in Alzheimer's disease" 1996-97
3. Quentin Turnbull MD – "What are patients and their families told about a
diagnosis of dementia?" 1997-98
4. Robert Webster MD – "Prevalence of psychotic symptoms in delirium" 1998-99
5. Panna Jollapara MD – "Attitudes of geriatric outpatients towards psychiatric
and general medical treatment" 1999-2000
6. Winona Belmonte MD – "Treatment of behavioral disturbance in dementia"
2000-01
7. Christine Blue DO – "Characteristics of dementia care units and psychotropic
drug use. 2001-02
8. Daksha Patel MD – "Risk factors for delirium with electroconvulsive therapy in
elderly patients" 2002-03
9. John Duryee MD – "Natural History of Depression and Anxiety Disorders
among General Medicine Outpatients: A Three Year Follow-up Study" 2003

Holroyd S: Review of Kosberg and Kaye, eds: Elderly men: Special problems and professional challenges, in *International Journal of Geriatric Psychiatry*. Springer Publishing Company, New York, NY, 1997.

XXII. **Invited Lectures and Presentations: Local, National and International**

1.” Treatment of behavioral disturbance in patients with dementia” – Western State Hospital Grand Rounds, Staunton VA (CME) 03/06/2012

2. “Depression in the elderly”. Low Vision support group – Charlottesville Senior Center (02/13/2012)

3. “Depression is not a normal part of aging”. University of Virginia Lifelong Learning Institute, 04/30/2011.

4. “Visual experiences in Macular degeneration”. Macular Degeneration Support Group, Charlottesville VA October 2010

5. “Depression is not a normal part of aging”. Mental Health Conference - Augusta Medical Center, Fishersville VA CME (May 12, 2010)

6. “Treatment of difficult behaviors: Pharmacological approaches.” Conference on Alzheimer’s disease and related disorders: Collaborating to fight Alzheimer’s disease: Integrated approaches to research, treatment and caregiving. Charlottesville VA (CME) (06/20/09)

7. Treatment of behavioral disturbance in Dementia. The 35th Annual Edward W. Hook Jr, MD Recent Advances in Clinical Medicine, Charlottesville VA (CME)(10/31/08)

8. "Visual experiences in Macular Degeneration" University of Virginia Ophthalmology Macular Degeneration Support Group, Charlottesville VA (9/11/08)
9. "Visual experiences in Macular Degeneration" University of Virginia Ophthalmology Macular Degeneration Support Group, Charlottesville VA (9/17/07)
10. "Visual experiences in Macular Degeneration" University of Virginia Ophthalmology Department Grand Rounds Charlottesville VA (CME) 3/21/07.
11. "Management of the Agitated/Confused Patient" Danville Regional Medical Center Grand Rounds, Danville VA (CME) (1/18/07)
12. "Treating Difficult Behaviors in Dementia", Virginia Dementia Congress, Charlottesville (CME) (10/07/06)
13. "Visual hallucinations and experiences in Macular Degeneration", Macular degeneration support group. Westminster Canterbury of the Blue Ridge, Charlottesville VA (9/19/06)
14. "Visual hallucinations and experiences in Macular Degeneration" Department of Ophthalmology Macular Degeneration Support Group. Charlottesville Senior Center, Charlottesville VA (05/15/06)
15. "Bipolar disorder – Management in the elderly" Martinsburg Veterans Hospital, Department of Psychiatry Grand Rounds, Martinsburg WV (CME) (10/25/05)
16. "Mood disorders and Aging", Virginia Geriatrics Society, Richmond VA (9/30/05)
17. "Bipolar disorder in the elderly – Diagnosis and Treatment" Lynchburg Medical Associates Grand Rounds, Lynchburg VA, (9/22/05)
18. "Wellness and Aging", Western State Hospital Grand Rounds, Staunton VA (9/14/05)
19. "Bipolar disorder in the elderly – an update" Eastern Virginia Medical School Department of Geriatrics Grand Rounds, Norfolk VA (CME) (05/17/05).
20. "Neural Mechanisms of hallucinations and delusions in the elderly" University of Virginia Department of Psychiatric Medicine Grand Rounds (CME) (04/19/05)
21. "Treating difficult behaviors in dementia" Virginia Dementia Congress, Charlottesville VA (CME) (12/04/04)
22. "Psychiatric disorders in the elderly and competency: an overview" Virginia Elder Law Attorneys Annual Meeting, Charlottesville VA (09/27/04)

23. “Psychiatric treatment of the nursing home patient” Department of Veteran’s Affairs, Hunter Homes McGuire Medical Center Grand Rounds, Geriatrics Grand Rounds, Richmond VA (CME) (09/17/04)
24. “Driving in Seniors” Assessment of Driving in Seniors Conference, Charlottesville VA, (10/08/04)
25. “Diagnosing depression in seniors” Jefferson Area Board of Aging, Charlottesville VA (07/15/04)
26. “Psychiatric treatment of the nursing home patient” Southside Medical Association, Farmville VA (6/21/04)
27. “Treating behavioral problems in the nursing home setting” Harrisonburg Medical Associates Grand Rounds, Harrisonburg VA (11/24/03)
28. “Use of antipsychotics in dementia” Crozet Medical Associates, Crozet VA (1/15/04)
29. “Evaluating and treating behavioral problems in the elderly patient” Eastern State Hospital Grand Rounds, Williamsburg VA (CME) (2/03/04)
30. “Evaluation and treatment of behavioral disorders in the LTC setting” 15th Annual Virginia Geriatrics Conference, Hot Springs VA (CME) (3/11/04)
31. “Treatment approaches to behavioral problems in the long term care setting” Commonwealth Medical Associates, Culpeper VA (3/25/04)
32. “Psychosis in the elderly” Glennan Center for Geriatrics – Eastern Virginia School of Medicine Grand Rounds. Norfolk VA (CME) (11/07/03)
33. “Depression in NOT a normal part of aging”. Eastern Virginia Medical School Dept. of Psychiatry and Behavioral Sciences Grand Rounds. Norfolk VA (CME) (11/7/03)
34. “Treatment of Psychiatric Disorders in the Outpatient and Nursing home settings.” Lynchburg Medical Associates –Lynchburg VA (7/ 17/03)
35. “Delirium, Dementia or Depression – which is it?” 14th Annual Virginia Geriatrics Conference, Homestead VA (CME) (4/04/03)
36. “ Treatment and Management of Behavioral Problems in the Nursing Home Setting” Orange County Medical Associates, Orange County VA (4/23/03)
37. “Diagnosis, Communication and Treating Dementia” The 2nd Biennial Conference of the Alzheimer’s Research Award Fund, Virginia Geriatrics Society. Richmond Virginia, (CME) (6/28/02)

38. "Psychiatric Treatment of the Nursing Home Patient" University of Virginia Department of Psychiatric Medicine Grand Rounds, Charlottesville VA (CME) (4/30/02)
39. "New developments in the Treatment of Depression" The 13th Annual Virginia Geriatrics Conference, Hot Springs Virginia, (CME) (3/15/02)
40. "Treatment of Geriatric Depression" The 28th Annual Edward Hook Jr. MD Recent Advances in Clinical Medicine 2001, Charlottesville, Virginia (CME) (10/26/01)
41. "Visual hallucinations and the Brain" University of Virginia Dept of Psychiatric Medicine Grand Rounds 2001 Charlottesville, Virginia (CME)
42. "Visual hallucinations in patients with Alzheimer's disease" Alzheimer's Disease and Related Disorders Conference, Staunton, Virginia (CME) (11/1/00)
43. "Visual Hallucinations in Patients with Alzheimer's disease" Alzheimer's and Related Diseases Research Conference, Richmond, Virginia (6/26/00)
44. "Geriatric Depression – Management" 10th Annual Williamsburg Geriatric Conference, Williamsburg, Virginia (CME) (3/25/00)
45. "Visual hallucinations and the Brain" Wakeforest University Dept. of Psychiatry Grand Rounds, Winston Salem, North Carolina (CME)(3/00)
46. "Hallucinations and Delusions in Non-Alzheimer's Degenerative Dementias" Western State 14th Annual Alzheimer's Disease and Related Dementias (CME) Staunton, Virginia (12/99)
47. "Depression in the Elderly" The Cutting Edge - Satellite Broadcast Series – University of Virginia office of CME (CME) (9/28/99) This recorded lecture is broadcast via telemedicine to practitioners and hospitals in rural Virginia and West Virginia.
48. "Depression in the Elderly: Assessment and Treatment" Psychiatry and Medicine CME Series, Martha Jefferson Hospital, Charlottesville, Virginia (CME) (5/27/99)
49. "Delusions and Hallucinations" Behavioral and Psychological Symptoms of Dementia (BPSD) International Consensus Conference – A Clinical and Research Update. Landsdowne, Virginia (5/12/99)
50. "Keeping Mentally Fit! A Discussion of Alzheimer's, Memory Problems and Depression in Late Life" Senator Emily Couric's Day for Seniors, Charlottesville, Virginia (4/16/99)
51. "Evaluation and Treatment of Depression in the Elderly" Inservice, Center for Organizational Development, University of Virginia Health System(4/21/99)

52. "Visual Hallucinosi s in Dementia: Causes, Diagnosis and Treatment" Johns Hopkins School of Medicine, Baltimore, Maryland (CME) (3/3/99)
53. "Psychiatric Medicine Research: A Panel discussion" University of Virginia Department of Psychiatric Medicine Grand Rounds (CME) (9/15/98)
54. "Psychiatric Treatment of the Nursing Home Patient" Rockingham Memorial Hospital Grand Rounds, Rockingham, Virginia (CME) (3/10/98)
55. "The Many Faces of Depression" 9th Annual Williamsburg Geriatric Conference, Williamsburg, Virginia (CME) (3/21/98)
56. "Treatment of Depression in the Elderly" Midlothian Medical Association, Midlothian, Virginia (2/4/98)
57. "Depression in the Elderly" Joint Internal Medicine and Family Medicine Residency Conference – Center for the Advancement of Generalist Medicine, University of Virginia Health Sciences Center (12/16/97)
58. "Geriatric Depression" Charlottesville Nurse Practitioners Association, Charlottesville, Virginia (12/11/97)
