Meeting open at 12:05pm – Dr. Miller

1. Standard 6 – Competencies, Curricular Objectives, and Curricular Design

- Dr. Ferguson
 - Request information from clerkship directors
 - Discuss methods for evaluating specific learning objectives
 - Formal assessment during 4th year
 - Dr. Loudin – comes back to evaluations
 - Dr. Miller – Discuss giving residents access to syllabi with Dr. Wehner
 - Disseminating to volunteer faculty
 - Dr. Ferguson – Clerkship directors to discuss syllabi with all faculty
 - Jennifer – Family Med already does this
 - Dr. Miller – Clerkship director should send syllabus at beginning of each rotation
 - Dr. Miller – Update syllabi and appoint 4th year chair
 - Dr. Loudin – Students perceptions on observation of physical exam and history taking skills.
 - Dr. Ferguson – Resident lecture on resident intro to the clerkship at the beginning of the year.
 - Dr. Puri – Build self-directed learning into the curriculum during the day, rather than adding it on.
 - Ask Dr. Richardson for policy on scheduled time during the pre-clerkship phase of the curriculum.

Meeting close 1:00pm – Dr. Miller

-Conner Henson
